OTTAWA, May, 1922.

Hon. ERNEST LAPOINTE,

Minister of Marine and Fisheries.

SIR,—I have the honour to submit the Supplement to the Fifty-fourth Annual Report of the Department of Marine and Fisheries (Marine Branch) or the fiscal year 1920-21, being the Report of the Chairman of the Board of Steamboat Inspection.

I have the honour to be, sir,

Your obedient servant,

A. JOHNSTON,

Deputy Minister of Marine and Fisheries.

BUREAU OF STEAMBOAT INSPECTION

OTTAWA, May 1922.

The Hon. Ernest Lapointe,
Minister of the Marine and Fisheries,
Ottawa, Ontario.

OTTAWA, Mai 1922.

Hon. ERNEST LAPOINTE,

Ministre de la Marine et des Pêcheries.

MONSIEUR,—J'ai l'honneur de vous soumettre le rapport du président du Bureau d'inspection des bateaux à vapeur, publié en supplément au cinquante-quatrième rapport annuel du ministère de la Marine et des Pêcheries (Direction de la Marine marchande) pour l'exercice financier 1920-21.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

A. JOHNSTON,

Sous-ministre de la Marine et des Pêcheries

BOARD OF STEAMBOAT INSPECTION.

OTTAWA, February 28th, 1922.

To the Deputy Minister of
Marine and Fisheries,
Ottawa, Ontario.

SIR,—I have the honour to submit, as follows, the annual report of the Steamboat Inspection Service, for the fiscal year ended March 31, 1921.

STAFF

I have to report the retirement, at his own request, of Mr. John Dodds, Inspector of Boilers and Machinery at the Port of Toronto, on July 31, 1920. Mr. Dodds entered the service in the year 1891.

I also regret to have to report the death of Mr. George M. Arnold, Inspector of Boilers and Machinery at the Port of Toronto, on November 2, 1920. Mr. Arnold entered the service in the year 1912.

To fill the vacancies resulting at the port of Toronto, Mr. P. W. Lyon Steamship Inspector at the port of Collingwood, was transferred to Toronto and by Order-in-Council dated December 8, 1920, Mr. William Logie MacKenzie was appointed Inspector of Boilers and Machinery and Hulls and Equipment.

Under the Civil Service Retirement Act of 1919, Mr. I. J. Olive, Inspector of Hulls and Equipment at the port of St. John, was retired on December 31, 1920. Mr. Olive entered the service in the year 1894.

Owing to the increase in work in the Vancouver Division it was found necessary to appoint a third inspector at that port. By Order in Council dated May 26, 1920, Mr. Thomas McConnachie Stephen received appointment as Inspector of Boilers and Machinery and Hulls and Equipment.

It was decided that, as the number of inspections in the Prince Rupert district did not warrant the maintenance of an inspector at that port, the Prince Rupert office should be closed and inspection in that district administered from the port of Victoria. Mr. A. Farrow, Steamship Inspector at Prince Rupert, who had been temporarily transferred from that port to Vancouver in January, 1919, has been permanently stationed at the latter port.

In line with the policy of having inspectors, where found qualified, act both as Inspectors of hulls and equipment and boilers and machinery, two appointments of machinery inspectors to the position of Inspector of hulls and equipment were made. Mr. J. A. Samson, Inspector of Boilers and Machinery at Quebec, and Mr. P. W. Lyon, Inspector of Boilers and Machinery at Collingwood (later transferred to Toronto) receiving appointments as inspectors of hulls and equipment by Orders in Council dated April 23, 1920, and June 16, 1920, respectively.

BOARD MEETINGS

Board meetings for the purpose of dealing with questions arising out of the administration of the regulations governing steamboat inspection, for considering the qualifications of candidates for the position of steamboat inspector, and for the approval of machinery, boilers and equipment for use in ships coming under inspection were held during the year.

12 GEORGE V, A. 1922

CASUALTIES

The following are the casualties reported from the several divisions during the year ended March 31, 1921.

HALIFAX DIVISION

On July 23, 1920, the ss. *Diamond* became a total loss on Fire island. No lives lost.

On March 6, 1921, the ss. *Pemanencia* became a total loss off the south west extremity of Little Miquelon island, St. Pierre. No lives lost.

ST. JOHN DIVISION

On December 5, 1920, the ss. *R. R. Call* while at Carleton, Quebec, caught fire and was destroyed, afterwards sinking. No lives lost.

On February 21, 1921, the ss. *Stadium* was reported as having been wrecked on St. Pierre island. No lives lost.

QUEBEC DIVISION

On May 12, 1920, the ss. *Atikokan* grounded on Madame island. She was afterwards floated and towed to Quebec for repairs. No lives lost.

On August 26, 1920, the ss. *J. A. McKee* ran ashore at the entrance to the Saguenay river. She was floated two days later and towed to Quebec for repairs. No lives lost.

SOREL DIVISION

No casualties reported.

MONTREAL DIVISION

On November 17, 1920, the ss. *Jeanne d'Arc* sank at her dock at Valleyfield, Que. No lives lost.

KINGSTON DIVISION

On May 12, 1920, the ss. *Samuel Marshall* while making a landing at Ogdensburg, N.Y. rammed the U.S.S. *Liberty* the latter ship receiving extensive damage. No lives lost.

On August 17, 1920, the ss. *T. P. Phelan* went ashore at Iroquois point and sustained damage to the hull. The vessel was released shortly afterwards and brought to Kingston. No lives lost.

On January 23, 1921, the ss. *Ontario No. 2* while on her regular trip from Charlotte, N.Y., to Cobourg, Ont., ran ashore about six miles east of Cobourg, receiving bottom damage which necessitated the docking of the vessel for repairs. No lives lost.

TORONTO DIVISION

No casualties reported.

COLLINGWOOD DIVISION

No casualties reported.

PORT ARTHUR DIVISION

No casualties reported.

SESSIONAL PAPER No. 23

EDMONTON DIVISION

In April, 1920, the ss. *Nasco* was damaged by ice on Lesser Slave lake and sank.

On April 30, 1920, the ss. *Pine Pass* was totally destroyed by fire at Peace river, Alta.

In May, 1920, the ss. *St. Gabriel* was damaged by ice in Buffalo river, N.W.T. and sank. The boiler and machinery were salvaged.

On August 9, 1920, the ss. *D. A. Thomas* sustained engine damage while proceeding to Vermilion Chutes, Peace river. Temporary repairs were made.

VANCOUVER DIVISION

On May 18, 1920, the ss. *P. W.* caught fire whilst in the Skeena river and was sunk to avoid total loss and afterwards raised and repaired. No lives lost.

On October 29, 1920, the ss. *Ella White* caught fire and was totally destroyed off Warke island, in the Fraser river. No lives lost.

On November 13, 1920, the ss. *Ballena* whilst moored at her wharf at Vancouver caught fire and sank. The fire was presumed to have been caused by a blow back from one of the furnaces, oil being used as fuel. A fireman who returned to the ship after being ashore lost his life.

On January 11, 1921, the ss. *Marvis* was sunk in Vancouver harbour after colliding in a fog with a loaded scow in tow of the tug *Earl*. The vessel was afterwards raised. No lives lost.

On February 2, 1921, ss. *Cheakamus* whilst entering the harbour at Whaletown, Cortez island, struck a rock and sustained damage to stern and bow plating. The vessel was brought to Vancouver and repaired.

VICTORIA DIVISION

On September 4, 1920, the ss. *Charmer* whilst en route from Powell river to Vancouver grounded in Vancouver narrows, afterwards floating off and proceeding to Vancouver, and examination disclosed slight bottom damage and the vessel was docked at Victoria for repairs.

On September 26, 1920, the ss. *Beryl* whilst engaged in towing from Nitinat lake to sea was observed to be settling by the head when passing over Nitinat bar. As the cause of leak could not be ascertained and no means taken to stop the inrush of water the ship was abandoned and sunk. No lives lost.

On September 29, 1920, the ss. *Prince Rupert* whilst en route from Vancouver to Prince Rupert, touched the easterly shore of Graham reach, three miles north of Swanson bay. As the vessel was making water rapidly she was beached at Swanson bay and the passengers landed. The ship has since been repaired. No lives lost.

On October 16, 1920, the ss. *Monobel* whilst endeavouring to salve a scow ashore on James island caught fire and was burned to the water's edge. The vessel was abandoned. No lives lost.

On November 6, 1920, the ss. *Princess Royal* whilst on a voyage from Vancouver to Prince Rupert collided in Grenville channel with the ss. *Marmion* towing the barge *Louisiana*. All three vessels sustained hull damage above the water line.

On February 10, 1921, the ss. *Princess Beatrice* en route Vancouver to Prince Rupert struck on Jedidiah island sustaining extensive damage. The passengers were landed and the ship floating almost immediately proceeded to Tucker bay where temporary repairs were made. The ship afterwards proceeded to Victoria for permanent repairs. No lives lost.

12 GEORGE V, A. 1922

CHANGES IN LAW

An important change in policy has been made in carrying on the Steamship Inspection Service. Section 578 of the Canada Shipping Act was repealed and a subsection (*h*) added to provide for the establishment of a scale of fees for inspection other than the statutory annual inspection, such as inspection during construction of hulls, boilers, machinery and equipment, etc., and for the examination of plans of hulls, boilers, machinery and equipment. Sections 643 and 644 were also repealed and amended to provide for the establishment of a scale of annual inspection fees. Under the terms of these amendments which are set out in Chapter 6, 1920, Orders in Council dated May 31, 1920, Nos. P.C. 1236 and 1237 have issued, and collections have been made for all inspections on and after June 1, 1920.

In order to bring ships of other than Canadian registry under the terms of Order in Council P.C. 1236, Order in Council P.C. 2711, issued November 6, 1920, making the scale of fees for annual inspection applicable to such ships.

Whilst the late date at which this change in the law came into effect prevented collections for the year now under report being sufficient to cover expenditures yet a very good showing was made and there is every reason to believe that in succeeding years the appropriation voted by Parliament will be covered.

I have the honour to be, Sir,

Your obedient servant,

FRANK McDONNELL,

Chairman.

SESSIONAL PAPER No. 23

BUREAU D'INSPECTION DES BATEAUX À VAPEUR.

OTTAWA, le 28 février 1922.

Au sous-ministre de la
Marine et des Pêcheries,
Ottawa, Ont.

MONSIEUR;— J'ai l'honneur de vous soumettre le rapport annuel du service chargé de l'inspection des bateaux à vapeur et ce, pour l'année financière terminée le 31 mars 1921.

PERSONNEL

Je dois faire rapport qu'à sa demande, le 31 juillet 1920, M. John Dodds, inspecteur des chaudières et des machines, au port de Toronto, a quitté le service. M. Dodds était à l'emploi de notre service depuis 1891.

Je regrette aussi d'avoir à faire rapport que M. George M. Arnold, inspecteur des chaudières et des machines au port de Toronto, est mort le 2 novembre 1920. M. Arnold était à l'emploi de notre service depuis 1912.

Afin de combler les vacances d'emplois survenues au port de Toronto, par ordre en conseil rendu le 8 décembre 1920, M. P. W. Lyon, inspecteur des bateaux à vapeur au port de Collingwood, a été transféré à Toronto; où, aussi M. William Logie McKenzie a été nommé inspecteur des chaudières, des machines, des coques et des équipements.

En conformité de la loi des retraites pour le Service civil, sanctionnée en 1919, M. I. J. Olive, inspecteur des coques et des équipements, au port de Saint-Jean, a été mis à la retraite le 31 décembre 1920. M. Olive était à l'emploi de notre service depuis 1894.

Vu l'augmentation du mouvement maritime dans les eaux de la division de Vancouver, on a été obligé de nommer un troisième inspecteur à ce port. En conséquence, par ordre en conseil, rendu le 26 mai 1920. M. Thomas M. McConnachie Stephens a été nommé inspecteur des chaudières, des machines, des coques et des équipements audit port.

Etant donné que le nombre des inspections à faire dans le district de Prince-Rupert, ne motivait pas le maintien d'un inspecteur à ce port, on a décidé de fermer le bureau de Prince-Rupert et de confier les inspections à faire dans ce district au personnel de notre service attaché au port de Victoria. Dans cet ordre d'idées il est à noter que M. M. A. Farrow, inspecteur des bateaux à vapeur à Prince-Rupert, que de ce port l'on avait provisoirement transféré au port de Vancouver en janvier 1919, a été permanentement attaché dans ses fonctions à ce dernier port.

Afin de suivre la ligne de conduite adoptée et d'après laquelle on tient à ce que, lorsqu'ils possèdent les aptitudes nécessaires, les inspecteurs agissent à la fois comme inspecteurs des coques, des équipements, des chaudières et des machines; par ordres en conseil rendus respectivement le 23 avril 1920 et le 16 juin 1920, on a nommé inspecteurs des coques et des équipements: M. J. A. Samson, inspecteur des chaudières et des machines à Québec, et M. P. W. Lyon, inspecteur des chaudières et des machines à Collingwood (lequel fut ultérieurement transféré à Toronto).

12 GEORGE V, A. 1922

ASSEMBLÉES DU BUREAU

Au cours de l'année les membres du bureau d'Inspection des bateaux à vapeur ont tenu un certain nombre d'assemblées, dans le but de considérer des questions soulevées par l'application de règlements concernant l'inspection des bateaux à vapeur; ainsi que la compétence des candidats aux postes d'inspecteurs de bateaux à vapeur; et l'approbation de machines, de chaudières et de dispositifs d'équipement devant être employés sur des navires sujets à inspection.

ACCIDENTS

Ci-après nous signalons les accidents survenus, dont rapport a été fait par le personnel des nombreuses divisions que comporte notre service au cours de l'année terminée le 31 mars 1921.

DIVISION D'HALIFAX

Le 23 juillet 1920, le vapeur *Diamond* a été complètement perdu sur l'île Fire. Aucune perte de vie.

Le 6 mars 1921, le vapeur *Pemancucia* a été complètement perdu en face de l'extrémité sud-ouest de l'île Petite Miquelon, Saint-Pierre. Aucune perte de vie.

DIVISION DE SAINT-JEAN

Le 5 décembre 1920, le vapeur *R. R. Call* prit feu pendant qu'il se trouvait à Carleton, P.Q., fut détruit par l'incendie et coula à pic par la suite. Aucune perte de vie.

Le 21 février 1921, le vapeur *Stadium* passait pour avoir fait naufrage sur l'île Saint-Pierre. Aucune perte de vie.

DIVISION DE QUÉBEC

Le 12 mai 1920, le vapeur *Atikokan* s'échoua sur l'île Madame. Il fut renfloué et remorqué à Québec pour y être réparé. Aucune perte de vie.

Le 26 août 1920, le vapeur *J. A. McKee* s'échoua à l'entrée du fleuve Saguenay. Il fut remorqué deux jours après et ramené à Québec pour y être réparé. Aucune perte de vie.

DIVISION DE SOREL

Aucun accident à signaler.

DIVISION DE MONTRÉAL

Le 17 nov. 1920, le vapeur *Jeanne d'Arc* coula à pic dans son bassin à Valleyfield, P.Q. Aucune perte de vie.

DIVISION DE KINGSTON

Le 12 mai 1920, le vapeur *Samuel Marshall* fut abordé par le vapeur E.U. *Liberty* pendant qu'il manœuvrait pour accoster à Ogdensburg, New-York. Ce dernier navire subit de fortes avaries. Aucune perte de vie.

Le 17 août 1920, le vapeur *T. P. Phelan* s'échoua sur la pointe des Iroquois et avaria sa coque. Peu après ce navire fut renfloué et conduit à Kingston. Aucune perte de vie.

Le 23 janvier 1921, le vapeur *Ontario No. 2* s'échoua à environ 6 milles à l'est de Cobourg, pendant qu'il faisait un de ses voyages réguliers entre Charlotte, New-York et Cobourg, Ont. Ce navire avaria tellement son fond de coque qu'il fallut le mettre sur cale-sèche pour le faire réparer.

SESSIONAL PAPER No. 23

DIVISION DE TORONTO

Aucun accident à signaler.

DIVISION DE COLLINGWOOD

Aucun accident à signaler.

DIVISION DE PORT-ARTHUR

Aucun accident à signaler.

DIVISION D'EDMONTON

En avril 1920, le vapeur *Nasco* fut avarié par la glace sur le petit Lac de l'Esclave et sombra.

Le 30 avril 1920, le vapeur *Pine Pass* fut totalement détruit par le feu dans la Rivière de la Paix, Alberta.

En mai 1920, le vapeur *St-Gabriel* fut avarié par la glace dans la Rivière Buffalo, Territoire du Nord-Ouest et sombra. On put sauver la chaudière et les machines de ce navire.

Le 9 août 1920, le vapeur *D. A. Thomas* subit des avaries de machines pendant qu'il se rendait aux chutes Vermilion, Rivière de la Paix. On lui a fait subir des réparations temporaires.

DIVISION DE VANCOUVER

Le 18 mai 1920, le vapeur «*P. W.*» prit feu pendant qu'il se trouvait sur la rivière Skeena; on fut obligé de l'immerger pour éviter sa perte totale. Puis il fut renfloué et réparé. Aucune perte de vie.

Le 29 octobre 1920, le vapeur *Ella White* prit feu et fut complètement détruit par incendie en face de l'île Warke, dans le fleuve Fraser. Aucune perte de vie.

Le 23 nov. 1920, le vapeur *Ballena* prit feu et coula à pic pendant qu'il se trouvait amarré à son quai à Vancouver. On a supposé que l'incendie avait été causé par un retour de flammes de l'un des foyers de chauffe dans lequel on brûlait du pétrole. Un des chauffeurs qui se rendit à bord après avoir été à terre, perdit la vie.

Le 11 janvier 1921, le vapeur *Marris* coula à pic dans le havre de Vancouver après être entré en collision par temps de brouillard avec un chaland chargé, que remorquait le remorqueur *Earl*. Ce navire fut renfloué par la suite. Aucune perte de vie.

Le 2 février 1921, le vapeur *Cheakamus* toucha la roche et subit des avaries à son arrière et à son bordé de l'avant pendant qu'il entrait dans le havre à Whaletown, île Cortez.

DIVISION DE VICTORIA

Le 4 septembre 1920, le vap. *Charmar* s'échoua dans la passe de Vancouver pendant qu'il se rendait de la rivière Powell à Vancouver. Ce navire se renfloua par ses propres moyens et se rendit à Vancouver où un examen de ses œuvres vives permit de constater de légères avaries à la partie inférieure de sa coque. Ce navire fut mis en cale sèche à Victoria pour y être réparé.

Le 26 septembre 1920, le vap. *Beryl* commença à couler par l'avant alors qu'il franchissait la barre Nitinat et qu'il faisait du remorquage du lac Nitinat à la mer. Comme il était impossible de s'assurer de la nature de la voie d'eau, et, qu'on ne prit aucune mesure pour aveugler celle-ci, le navire fut abandonné et sombra. Aucune perte de vie.

12 GEORGE V, A. 1922

Le 29 septembre, 1920, le vap. *Prince Rupert* toucha la côte est de Graham Reach à trois milles au nord de la baie Swanson, pendant qu'il se rendait de Vancouver à Prince Rupert. Comme le navire faisait eau très vite, il fut jeté sur la côte de la baie Swanson, où l'on débarqua les passagers. Depuis ce navire a été réparé. Aucune perte de vie.

Le 16 octobre 1920, le vap. *Monobel* prit feu et brûla jusqu'à la ligne de flottaison et fut abandonné, alors qu'il s'efforçait de sauver un chaland qui avait été jeté à la côte sur l'île James. Aucune perte de vie.

Le 6 nov. 1920, pendant qu'il se rendait de Vancouver à Prince Rupert, le vap. *Princess Royal* entra en collision dans le chenal Grenville avec le vap. *Marmion* qui remorquait la barge *Louisiana*. Les coques de ces trois navires furent avariées au-dessus de la ligne de flottaison.

Le 10 février 1921, le vap. *Princess Beatrice* qui se rendait de Vancouver à Prince Rupert toucha le fond sur l'île Jedidiah et subit des avaries très considérables. Les passagers ayant été débarqués, le navire se renfloua presque immédiatement et se rendit à la baie Tucker où on le répara temporairement. Ce navire se rendit ensuite à Victoria pour subir des réparations permanentes.

MODIFICATION DE LA LOI

Le service d'inspection des bateaux à vapeur a modifié de façon importante sa ligne de conduite, quant à l'accomplissement de ses devoirs. C'est ainsi que l'article 578 de la loi de la Marine Marchande du Canada a été abrogé, et que l'on a ajouté un paragraphe (h) pourvoyant à l'établissement d'une échelle de droits: pour les inspections autres que l'inspection annuelle exigée par les Statuts, et telles par exemple, que les inspections faites durant la construction des coques, des chaudières, des machines, des dispositifs des équipements, etc.; comme aussi pour les examens des plans des coques, des chaudières, des machines et des équipements. Les articles 643 et 644 ont aussi été abrogés et remplacés par de nouveaux articles rédigés de façon à pourvoir à l'établissement d'une échelle de droits relatifs à l'inspection annuelle. En conformité de ces modifications de la loi qui figurent au chapitre 6, 1920, on a rendu des ordres en Conseil datés du 31 mai 1920, Nos. 1236 et 1237 C.P., et procédé à l'encaissement de tous les droits d'inspection exigibles à partir du 1er juin, 1920, y compris ce jour même.

Afin de pouvoir appliquer l'ordre en conseil N° 1236 C.P., aux navires autres que ceux armés (enregistrés) au Canada, le 6 novembre, 1920, on a rendu l'ordre en conseil N° 2711, C.P., qui spécifie que l'échelle des droits d'inspection annuelle, applicable aux navires enregistrés au Canada, est aussi applicable aux navires qui n'y ont pas été enregistrés.

Bien que la date tardive de la mise en vigueur de la loi, telle que modifiée, ait empêché, pour l'année sous revue dans ce rapport, que la perception des droits suffise à équilibrer les dépenses, on a cependant obtenu de bons résultats à cet égard, et tout porte à croire qu'au cours des prochaines années, l'allocation votée par le Parlement sera couverte par les fonds à encaisser.

Votre obéissant serviteur,

FRANK McDONNELL,

Président

SESSIONAL PAPER No. 23

INSPECTEURS DES CHAUDIÈRES ET MACHINES

Noms des inspecteurs	Bureaux principaux	Divisions
N. A. Currie	Halifax, N.-E.....	Nouvelle-Ecosse.
D. J. Murray..	"	"
C. E. Dalton	St-Jean, N.-B.	Nouveau-Brunswick et Ile du Prince-Edouard.
(1) J. A. Samson	Québec, P.Q.	Québec
F. X. Hamelin	Sorel, P.Q.	Sorel
J. E. Lunan	Montréal, P.Q.	Montréal.
John T. Gardham	"	"
T. P. Thompson	Kingston, Ont.	Est de l'Ontario.
